Swami Samvidaananda

She has been teaching Svaroopa® yoga and meditation for over 20 years. After she raised her three children, she became a swami, a yoga monk. She says, "Now that I am a swami, I do what I've always done. The difference is that I'm doing it from a greater depth."

Meditation Day

Saturday October 19 2024 | 9:00 am - 5:00 pm

No experience required, everyone can meditate. Experienced meditators will discover deeper dimensions within while new meditators experience how easy and powerful meditation can be. Meditation uncovers who you really are, at the deepest innermost level. In addition to meditation instruction, other supportive practices contribute to the quality of your day and your inner experience.
